

Management Training

A COST-EFFECTIVE WAY TO PROMOTE MANAGER SUCCESS

With Fluency Speak, managers can leverage our video technology to quickly master communication skills needed to lead effectively and help their team succeed. They can receive targeted training and practice opportunities to develop as coaches and leaders. With their new skills, they'll be able to engage in more productive interactions with their teams.

CHALLENGE: DEVELOP EFFECTIVE COMMUNICATORS

Managers are tasked with providing feedback and coaching to their teams to help them succeed, but managers rarely receive the receive enough training and practice to effectively perform those tasks.

FLUENCY SPEAK SOLUTION

Enable managers to gain confidence and coaching skills by practicing leadership scenarios on the Fluency Speak video practice platform. They'll receive coaching and feedback from trainers and mentors to improve their skills.

★ FLUENCY SPEAK BENEFITS

- Engage managers in video-based practice to improve their leadership and coaching skills.
- Provide managers and manager-trainees with the direct feedback and coaching they need to grow.
- Offer tools that allow managers and their teams to interact and gain clarity through asynchronous communications training.
